MAFMIC will be presenting sessions that will earn active farm mutual insurance company directors credit toward the **NAMIC Farm Mutual Director Certification (FMDC)**. This national certification program consists of three modules - **Management, Operations & Insurance**, and **Finance & Accounting**. Four classes from each of the modules qualify for certification which will then be recognized by NAMIC and MAFMIC at their Annual Conventions. In addition, each qualified director will receive a certificate of completion and lapel pin. If the majority of a board achieves certification, a company may be eligible for a discount on NAMIC Insurance Company (NAMICO) D&O insurance.
